

**Intern (Fall 2022)– Corporate Solutions Technology Department
IGM Financial (IG Wealth Management) – Winnipeg Office**

[Job Link](#)

IGM Financial Inc. is one of Canada's leading diversified wealth and asset management companies with approximately \$271 billion in total assets under managements. The company provides a broad range of financial planning and investment management services to help more than two million Canadian meet their financial goals. Its activities are carried out principally through IG Wealth Management, Mackenzie Investments and Investment Planning Counsel.

Under IGM Financial's unique business model based on leading brands and multi-channel distribution strategy, we're IG Wealth Management. For over 90 years of business we have grown to become one of the largest most respected companies in Canada. We are a leader in providing the best advice, experience and outcomes for our clients, personalized throughout their lifetime. This is your opportunity to build a career with a leading organization where you can learn, grow and thrive both professionally and personally.

At IG Wealth Management, our vision is to inspire financial confidence.

You will join a team that believes our success starts with the success of our clients, while working together as a team to realize our greatest potential. You will join a team that strives towards excellence while developing and sharing skills and knowledge. You can make a difference for our clients, the world around us and be part of a team that cares.

IG Wealth Management is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada – including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

As a Systems Analyst Intern, you will work with the members of our teams and will have an opportunity to contribute to the delivery of technology solutions for our business partners.

Responsibilities:

- Engage with technology teams to complete analysis and investigation tasks that contribute to solution delivery
- Engage with technology teams to complete analysis and investigation tasks that contribute improving internal processes
- Gain both business and technical knowledge, that is required to compete assigned tasks and define/implement solutions that effectivity deploys technology

Requirements:

- Enrolled in a business or technology post-secondary program
- Ability to work independently and within a team environment
- Ability to analyze, investigate and solve problems
- Ability to analyze and interpret data
- Capability to establish and maintain effective partnerships and relationships
- Excellent communication skills (oral, written, presentation)
- Positive attitude, keeping a constant watch on how to do things better
- Adaptability and a willingness to take on new challenges
- Knowledge of tools and technologies (e.g. Microsoft Office Suite)

To apply, please include a cover letter, resume and transcripts (full unofficial version) by May 8, 2022 (11:59pm).

We thank all applicants for their interest in IG Wealth Management; however only those candidates selected for an interview will be contacted.

IG Wealth Management is an accessible employer committed to providing a barrier free recruitment experience. If you require an accommodation or this information in an alternate format at any stage of the recruitment process, please reach out to the Talent Acquisition team who will work with you to meet your needs.
